

Policy #726 - Third Party Billing

I. Purpose

The purpose of this policy is to establish guidelines and procedures for Third Party Billing.

II. General Statement of Policy

It is the policy of Rochester STEM Academy to seek reimbursement from insurers and third parties for the cost of services provided by a district whenever these services are otherwise covered by the student's health coverage and is cost effective.

III. Requirements

- A.** Third Party Billing will be considered by the Special Education Committee when a student's qualifying service costs exceed \$500 within the school year.
- B.** All Third Party Billing considerations and approvals will be documented.
