## **Biographies:**

### **Mohamoud Hamud**

Islamic religious counselor for Mayo Clinic. Considered for a position as Prime Minister of Somalia. Mayor's Heroes Award in 1997 for his work in reducing tensions between Somali and American youth. Past School Board Member for Rochester Public Schools.

### **Abdulkadir Abdalla**

Organized communities and social resources to create and support organizations like the African Development Center, Abu Huraira Islamic Center, the Parent Support Center, and four different charter schools: Metro Schools, a 5-12 charter school in Minneapolis; Learning for Leadership, a K-12 charter school in Columbia Heights; Rochester Math and Science Academy, a K-8 charter school in Rochester, MN; Rochester STEM Academy, a 9-12 charter high school in Rochester, MN.

### **Daniel Zacharda**

A Social Studies teacher for Rochester STEM Academy. Mr. Zacharda eagerly and successfully takes on leadership roles at the school. His flexibility and willingness to contribute to student success has also led him to teach in other subjects as needed. This is his 2nd year teaching at Rochester STEM Academy.

### **Mustaf Hagi**

A parent of a student. His child attends Rochester STEM Academy as well as Rochester Community and Technical College as a Post Secondary student. He is head of transportation at Rochester Math and Science Academy.

### **Ayan Mumin**

A parent of a student. Her child attends Rochester STEM Academy as well as Rochester Community and Technical College as a Post Secondary student. Ayan is employed as a special education paraprofessional at Rochester Math and Science Academy.
